Improvements to
“Responsibilities”

<http://164.92.125.40/>

Benjamin Dicken

Announcements

- Work on that final project
- Project checking November 21

Improvements for “Responsibilities”

- Keep user logged in while there is activity
- Cross-out completed tasks
- Delete tasks
- Separate session logic into module
- Sort lists alphabetically, or by priority
- Users should have their own lists
- Collaboration on a list

Other ideas???
